

Has reading and spelling turned into  
anger and frustration due to dyslexia?

It's time you learned that you can -

Learn to read.

Learn to spell.

## When you separate the myths of dyslexia

You see letters backward

You can outgrow it

You don't try hard enough

## From the facts of dyslexia

Dyslexia is an auditory processing disorder that makes it difficult to decode written language.

## You see the gifts of dyslexia

Artistic skills | Storytelling skills | Creative thinking

Entrepreneurial business skills | Entertainment

Science | Literature | Music

A list of success stories can be found at: [eida.org/success-stories/](http://eida.org/success-stories/) and is provided courtesy of the International Dyslexia Association
